

For almost 25 years, Alliance Consulting has distinguished itself as Europe's leading Executive Search consultancy for players in the food supplement and nutraceutical industries, across the entire value chain. Imagine a world where every decision, every action, every product is designed with a passion for excellence and the ambition to transform the daily lives of its consumers...

It's in this spirit that we invite you to join a bold and innovative adventure at the heart of a fast-growing start-up, where people and quality are at the heart of its concerns. Our customer is a future European Champion, a Digital Native Vertical Brand (DNVB) designing and marketing a range of Premium food supplements dedicated to sports performance and health, with high standards of ingredient selection and strong values.

As part of its rapid expansion, we are looking for a

Director of Operations

Missions:

Reporting to the CEO, you will be responsible for:

- defining and optimizing Supply Chain strategy, managing raw materials and packaging purchases, while ensuring efficient management of inventory and logistics flows
- negotiating with suppliers to obtain the best supply and production conditions
- supervising the Quality and R&D departments, ensuring product compliance with regulatory standards and internal requirements
- managing and developing your N-1s, collaborating with Marketing and the Scientific Committee to develop new products and identify new partners

Profile required:

- Higher education in Supply Chain, Logistics or Engineering.
- Significant experience of at least 15 years in operations management within a food supplements/cosmetics company, ideally in an e-commerce or DNVB environment.
- Analytical and synthesis skills enabling you to anticipate and respond to internal needs. Reactivity, adaptability and versatility to manage the multiple organizational and managerial facets of the position.
- Business development-oriented leadership, with a rigorous approach to achieving objectives and an ability to unite teams.
- Excellent interpersonal skills to evolve within a young structure with a short hierarchy.

We firmly believe that every employee must play a crucial role in our collective success. That's why we're looking for an inspiring team player with a clear vision and boundless energy, to take charge of the entire Supply Chain and all our Customer's operational levers.
